

# Engineering Work Alterations

April 2026

Updated 29/3/26

## NATIONAL SUMMARY

Nothing to report at the time of posting.

## ALL OPERATORS INCLUDING FREIGHTLINER

The reported alterations below focus on railway corridors which are operated by class 90s for Freightliner, but these alterations also apply to other operators who do not use Class 90s too.

### West Coast Main Line

- Friday 3<sup>rd</sup> April – WCML closed Euston to Milton Keynes with diversions via alternative routes.
- Saturday 4<sup>th</sup> April – WCML closed Euston to Milton Keynes + Preston to Oxenholme. Diversions via alternative routes include S&C and ECML.
- Sunday 5<sup>th</sup> April – WCML closed Euston to Milton Keynes + Crewe to Carstairs/Edinburgh/Glasgow inclusive. Diversions via alternative routes include S&C and ECML.
- Monday 6<sup>th</sup> April – WCML closed Euston to Milton Keynes + Carlisle to Scotland including Edinburgh / Glasgow. Diversions via alternative routes include S&C and ECML.
- Tuesday 7<sup>th</sup> and Wednesday 8<sup>th</sup> April – WCML closed Euston to Milton Keynes. Diversions via alternative routes and amended schedules.
- Saturday 11<sup>th</sup> to Sunday 19<sup>th</sup> April inclusive – WCML is shut north of Preston for the entire period. Diversions via alternative routes include S&C and ECML and amended schedules.

There were no other known alterations to report on at the time of publication. However, engineering work does take place on various sections of the WCML during the week and at weekends at short notice. It is advisable to check real-time data sources for specific trains on specific days just to be sure that the train you're looking for is a runner or diverted.

## **East Anglia / GEML**

There were no known alterations to report on for April at the time of publication. However, engineering work does take place on various sections of the GEML during the week and at weekends at short notice. It is advisable to check real-time data sources for specific trains, on specific days just to be sure that the train you're looking for is a runner or diverted.

---

## **DB CARGO**

### **WCML / Scotland / Midlands / NW England:**

Alterations for DB Cargo are no longer reported for the time being.
